

2002 MEMBERSHIP PROGRAM DESCRIPTIONS

IMPORTANT – PLEASE READ!

Membership Activation Date – Membership is effective immediately upon paying the appropriate membership fee.

Insurance Coverage – *Active* (insured) members may participate in USA Water Ski-sanctioned activities; *Supporting* (uninsured) members must upgrade to *Active* status to be eligible to participate.

Active members receive \$10,000 worth of secondary personal injury insurance coverage (\$1,000 deductible) when participating in any USA Water Ski-sanctioned event.

For more information regarding insurance questions, please request a *USA Water Ski Insurance Fact Page*.

Family Memberships – A family membership may consist of a head of household, spouse and dependent children age 17 and under. All family members must reside at the same address.

Lifetime Ambassador Memberships – Contact USA Water Ski's Membership Services Department for more information.

USA Water Ski Sport Disciplines – All USA Water Ski members have the option of being affiliated with the sport discipline of their choice. Your affiliated sport discipline does not in any way affect what type of sanctioned event you are eligible to participate in. For example, if you choose to be affiliated with the Collegiate (NCW) sport discipline, you can still participate in AWSA (3-event) tournaments as long as you are an *Individual Active* member of USA Water Ski. Selection of a Sport Discipline is mandatory on all membership applications. This selection affects each Sport Disciplines representation on the USA Water Ski Board of Directors.
