

Instructions for Stephen Hawking's Universe Video and MA Assignment.

- Go to MA and open the assignment: Stephen Hawking's Universe. Answer the first question in the assignment.
- On the Calendar, click on the video title which will take you to a documentary site to watch the video. Open the second question on the MA assignment, and as you watch the video, you'll find the answer. Do this for the rest of the questions until you get to the end of the video.
- Note, if the documentary site does not work, try the Backup Link; although, this site can't support too many simultaneous users and might freeze up.
- **You should watch the video and complete the assignment by class time on Monday 5/4.**
- **Last, if the links to the video don't work, please notify Dr. Alexander (alexansg@miamioh.edu).**
