

**Instructions for Jim Al-Khalili's The Story of Electricity Videos**  
**and MP Assignments.**

- Go to MP and open the assignment: **Video: The Story of Electricity Part** (whichever part is assigned). Answer the first question.
- On the Canvas Calendar, click on the video title which will take you to a site to watch the video. Open the second question on the MP assignment, and as you watch the video, you'll find the answer. Do this for the rest of the questions until you get to the end of the video.
- Note, if the DailyMotion site does not work, try the Backup Link; although, this site can't support too many simultaneous users and might freeze up.
- **You should watch the video and complete the assignment by class time on the Monday that it's on the calendar.**
- **Last, if the links to the video don't work, please notify Dr. Alexander (alexansg@miamioh.edu).**
- *Oh yeah, one more instruction: have some good snacks handy and maybe watch the video with some friends – enjoy!*
