

## Enter your Canvas course

1. Sign in to Canvas and enter your Canvas course.
2. Do one of the following:
  - Select any Pearson link from any module.
  - Select **MyLab & Mastering** in the Course Navigation, and then select any course link on the Pearson page.

Before clicking on a link, go to the red cross on top right hand of screen and enable popups! Otherwise the link seems unresponsive to your click.

## Get access to your Pearson course content

1. Enter your Pearson account **username** and **password** to **Link Accounts**.  
You have an account if you have ever used a Pearson MyLab & Mastering product, such as MyMathLab, MyITLab, MySpanishLab, MasteringBiology or MasteringPhysics.
  - If you don't have a Pearson account, select **Create** and follow the instructions.
2. Select an access option:
  - Enter the access code that came with your textbook or was purchased separately from the bookstore.
  - Buy access using a credit card or PayPal account.
  - If available, get temporary access by selecting the link near the bottom of the page.
3. From the You're Done page, select **Go to My Courses**.

**Note:** We recommend you always enter your MyLab & Modified Mastering course through Canvas.

## Get your computer ready

For the best experience, check the system requirements for your product at:
